

All donations can be anonymous if you wish.

If gifting through your will to Room To Learn is something that interests you, please talk to Ann, Brian or any of the Trustees.

We welcome all donations, large, small, regular or one-off – all are used efficiently to change lives for the better.

I WOULD LIKE TO HELP ROOM TO LEARN IN THE FOLLOWING WAYS:

Monthly Donation	Monthly amount
Sponsor a Child	£15
Sponsor two Children	£30
Sponsor five Children	£75
Sponsor a Child's Mentor	£15
Sponsor a Teacher	£30
Sponsor a Classroom	£40
Sponsor a day trip out for 30 Children	£10

Single Donation	Amount
Sponsor a playground	£3000
Sponsor a bus	£10000
Remember Room To Learn in your Will please contact Ann or Brian, ceo@roomtolearnuk.org or to see how to do it yourself, go directly to: www.roomtolearnuk.org/leaving-a-gift-in-your-will/	
Other donations	

Where ever possible we will try to link your giving to specific children or groups of Children where these are your wishes, and you will receive an annual update on them. However if any project is fully funded we will use your donations for more general funding and keep you advised.

Your donations will always be used with care to ensure the best outcome for the poorest and most disadvantaged children.

Indian Schools Charity

Our worth derives from our human qualities of kindness, thoughtfulness and charity. Your donations give childhood back to the most disadvantaged children.

UK Registered Charity No 1165428

ROOM TO LEARN gives the poorest & most disadvantaged children a life changing pre-school education, helps them get school places, and then monitors and assists them through their education to 16.

We don't directly build schools unless we have to, preferring instead to improve local facilities for our use.

Our Trustees reach into their own pockets to travel to our facilities where they ensure that our funding really is reaching those most in need.

This makes us different to other Charities because we can reach out to, and change the lives of, many more children with each pound we raise.

ROOM TO LEARN raises money to educate 30+ (and growing) children in Kalimpong by holding an annual garden party and auction at it's Founder's (Ann and Brian Mills) house. It is difficult to imagine that one afternoon in a (hopefully) sunny English garden could change so many lives!

Now we are looking to the future and we wish to reach out to more children, but also to replace this rather weather (and space) dependant fund raising with long term gifting. The garden party will still continue to enable us to start new schools in the future.

ROOM TO LEARN started with Ann seeing a little girl (Manisha) living under a polythene sheet in West Bengal. Ann couldn't just "walk on by", and now our family of donors are helping to lift children like Manisha out of poverty through education.

Would you like to join this amazing family of givers?

Are you someone who can't just "walk on by"?

MONTHLY GIFTING

SPONSOR CHILDREN:

£15/month will provide a child with education through to 16 and directly change their life outcome.

We educate directly 3-6 and then help place them in local schools and provide them with the things they need to succeed there, including transport.

SPONSOR A CHILD'S MENTOR:

£15/month will enable us to help our children get into local education places and follow up on them and their families to ensure that they don't drop out later.

SPONSOR A TEACHER:

We recruit our teachers locally. Not only do they provide these lovely children with a much needed start in life, they also interact with the parents and families to bring a wider education on health & hygiene and finance. **£30/month** is an amazingly small sum to change so many lives.

SPONSOR A CLASSROOM:

£40/month (or you can donate towards this sum) covers the renting of one classroom. We currently have two class-rooms and are looking to take on more.

Other monthly gifting amounts are available from £5/month - visit our website for more details: www.roomtolearnuk.org

WE ALSO HAVE SOME PROJECTS WHICH NEED FUNDING WITH ONE-OFF GIFTS:

SPONSOR A PLAYGROUND:

Play is a vital part of learning. Play equipment is expensive. We would like to improve the facilities we are able to offer. **[£3000]**

SPONSOR A NURSERY SCHOOL BUS AND RUNNING COSTS FOR 4 YEARS:

Currently we have a fantastic donation which covers this – and we have bought this (mini) bus! However, we know that as we reach out to more children there will be a need for more transport. If you would like to provide a school bus in the future please contact Ann, Brian or any of the Trustees and we will explain how this lump sum donation is used. **[£10,000]**
